

The many colours of the NSW CENTRAL WEST

Wentworth Orange

The secret is out . . . some of the finest layouts in country New South Wales can be found in the Central West of the Premier state. So, it's time we gave readers a 'heads-up' on where to play and the country treasures that are greener than you expect, closer than you realized . . . and better than you imagined.

THE WENTWORTH ORANGE

THE Wentworth Orange has quickly become one of regional NSW's premier golf and hospitality venues since opening in July 2024. Located on the western edge of Orange, this state-of-the-art destination offers premium dining, social spaces, and an outstanding golf course, making it a must visit for members, locals, and travelling golfers alike.

Perched on Ploughmans Lane, the clubhouse is a striking addition to the landscape, with expansive floor-to-ceiling windows framing breathtaking views of the 18th green and surrounding fairways. Whether enjoying a meal, a quiet drink,

or simply taking in the scenery, the panoramic outlook is second to none. Inside, the venue blends contemporary comfort with a welcoming atmosphere, featuring a stylish lounge and dining area, a vibrant sports lounge, and a dedicated function space for weddings, corporate events, and special occasions.

For golf enthusiasts, The Wentworth Golf Course offers a challenging yet rewarding experience. The 18-hole course features 22 sand bunkers, three dams, and a small pine forest, creating a scenic yet strategic layout for players of all levels. Since amalgamating with Orange Ex-Services' Club, significant upgrades have

enhanced the course's playability and presentation, ensuring top-tier conditions year-round. A well-stocked pro shop caters to golfers' needs, while two state-of-the-art simulators provide an opportunity to refine skills or enjoy a virtual round.

Beyond golf, The Wentworth is a hub for social connection. The restaurant and bar showcase the best of the Central West's produce, offering a menu that ranges from classic bistro favourites to refined, restaurant-quality dishes. A café and grab-and-go window on the lower terrace provide quick options for those heading out onto the course or looking for a coffee on the go. Families are also well catered

for, with a dedicated indoor play area creating a welcoming space for all ages.

With its impressive facilities, strong community atmosphere, and commitment to delivering a first-class experience, The Wentworth Orange is a standout destination in the Central West. Whether playing a round, catching up with friends, or simply enjoying the stunning surroundings, it's a venue that continues to impress.

Dubbo Golf Club

DUBBO GOLF CLUB

AN inland oasis, Dubbo Golf Club features a lush 27-hole championship golf course in a natural setting. The area boasts native trees and flora, and is home to an abundance of wildlife including kangaroos, wallabies, possums, echidna and native birds. The course hosts 11 waterways to guarantee a challenging and picturesque round. Located on the western banks of the Macquarie River with Golf Links Creek running through the course, it is the complete package for the avid competitor and social golfer alike.

The club has been purpose-built to accommodate everyone... not just golfers. It includes a function centre with its own dedicated bar and entrance, main bar, sports bar, indoor/outdoor gaming facilities, cafe/lounge area. The Fairways Asian Restaurant boasts the best Asian cuisine in Dubbo, and with an amazing outlook over the course, it's second to none.

The course features demanding par-3s, daring par-4s and long par 5s that can withstand the longest of long drives. The 1st is particularly challenging at 472m. The gentle slope of the fairway and traversing

dry (when it hasn't rained) hazard requires the deft touch of a long drive, or a layup shot to attack the green. The 21st is a particularly challenging par-4. While only 293m, you will navigate five separate waterways, including two off the tee.

Built in a quiet leafy subdivision, with no traffic noise, the only distractions to your day will be the occasional bird call or kangaroo for an audience.

Dubbo Golf Club has full irrigation of its 27 hole golf course, with all tee, fairway's and green perfect all year around.

A challenging championship layout which has played host to the 2020 Women's NSW Open and to previous Men's NSW Open qualifiers, the course is set to welcome senior golfers in 2024 for the Dubbo Veterans Week of Golf, scheduled for September 23-27.

Duntryleague Golf Club

DUNTRYLEAGUE

CONSISTENTLY rated among the top 100 courses in most worthwhile rankings, Duntryleague sweeps you off your feet when you first set eyes on the place.

The Heritage-listed Duntryleague Mansion dominated the landscape when you arrive... some say the mansion, built in 1876, even has a ghost living there.

If so, he must sleep as peacefully as you will if you stay in one of their guesthouse's well-appointed 14 rooms.

Still, it's the golf that will ultimately capture you as this course is a marvellous test of your game and it's only a stone's

throw from the centre of Orange, one of Australia's best inland cities with every modern amenity.

Indeed, Orange is only three and a half hours' drive from Sydney (one hour by plane).

The lush South African couch fairways, bent grass greens, fairways lined with more than 400 species of trees from across the world and its strategic layout make Duntryleague a pleasure to play.

The team at Duntryleague can tailor a stay-and-play package to suit your requirements.

With seasonal local cuisine featuring on the modern Australian menu, all meals and desserts are created from scratch in-house.

Social golf groups are always welcome with access to the course available most days but particularly Mondays, Thursdays, Fridays and Sundays outside members' activities and corporate golf bookings.

Duntryleague annually hosts a two-day charity pro-am, last year held in conjunction with the Women's NSW Open regional qualifying, while other stand-out and popular events on the calendar include the Gourmet Golf Tournament on April 7-9, a Seniors Amateur Open on May 1-2 and on

November 1-2 the Hahn Open Amateur Championships.

More details can be found on the Duntryleague website.
