THE COAST *with the most*

Nambucca Heads Island Golf Club

Featuring pristine beaches, lush rainforests, and some of Australia's most spectacular scenery, the NSW Mid to Far North Coast is one of Australia's premier locations for sports, festivals, music, dance and more. Of course, it is also home to some tremendous choices for the discerning golf traveller. From Port Macquarie to Tweed Heads, and everywhere in between, we highlight the most popular and unique courses the region has to offer.

NAMBUCCA HEADS ISLAND GOLF CLUB

AUSTRALIA'S most accessible public access island golf course, Nambucca Heads Island Golf Club, is located mid-way between Sydney and Brisbane.

The 18-hole, par-69 layout is surrounded by the pristine waters of the Nambucca River and hosts the "best bent grass greens north of Newcastle".

It is perfectly located for a mid-trip "golfover" on your trip north or south or for any looking for a holiday combination involving great golf and plenty of fishing. Nambucca Heads offers a variety of levels of accommodation to suit most budgets.

The Island Golf Club offers a test to golfers of all abilities. Whilst flat, the golfer is required to be accurate to hit the winter green couch fairways before striking their second shots close to the pin to avoid a lengthy first putt.

Enjoy a relaxing 18 holes and then sit on the club's deck perched along the banks of the Nambucca enjoying a refreshing beverage. Locals say if you can play to your handicap at the Island you will leave well pleased with yourself.

Accompanying the course is the opportunity to observe passing dolphins heading upriver to feed. The birdlife is also a feature as pelicans, sea eagles and ospreys soar overhead.

The Island Restaurant features 180 degree views of the river and offers a wonderful variety of meals. Come along and try one of our famous "Hot Rock" Steaks on a Thursday night.

The club also offers rooms and green space for weddings, birthdays and anniversary celebrations.

Nambucca Heads Island Golf Club has a pro shop operated by club pro Paul Habgood offering a wide variety of equipment and clothing.

Discover and enjoy Nambucca Heads; a very accessible two minutes off the Pacific Highway.

TEVEN VALLEY GOLF COURSE

THE words "hidden gem" is oftentimes overused when describing a golf course, but in the case of Teven Valley Golf Course it's apt.

The Craig Parry-designed nine-hole course has been described as a boutique layout. Nestled in the green rolling hills of the Ballina hinterland, Teven Valley is eye-catching – so much so that people driving past the golf course stop roadside to take photographs.

It's picture-perfect courtesy of wall-to-wall zoysia grass – save for the greens which are tiff eagle. The fairways are immaculate and the golf ball sits up nicely as if to say "hit me".

The emphasis at Teven is to provide a nice test of golf where good shot-making and finesse will triumph over power. From the black tee blocks, the course has four par-4s, five par-3s and measures 1705m.

Players who have a good short game will score well on a golf course that includes a lengthy 180-metre par-3 opening hole. Alternatively, golfers can choose to play from the white tee blocks (1217m) where every hole is a par-3.

Teven Valley is set in a peaceful and breathtaking valley among remnant rainforests and meandering creeks. The only interruption is the birdlife and occasional splash of a platypus.

It's an easy-walking golf course save for the 151m ninth hole which is a steep climb with the comfortable clubhouse as a backdrop.

Teven Valley is a walking only course and costs $60 to play. Golfers are provided with complimentary pull buggy and they have hire sets of clubs ($25).

Okay, the course is not long, but it succeeds very well and is a pleasant nine holes in a stunning, beautiful setting.

It's perfect for golfers with limited time on their hands and one you should tick off your bucket list.

Ocean Shores Country Club

OCEAN SHORES COUNTRY CLUB

OCEAN Shores Country Club is an incredible destination, with Pacific Ocean views of Byron Bay to the east, Koonyum Ranges to the west.

The golf course was designed in the late 1960s by the team of Bruce Devlin and Robert von Hagge. The championship layout is carved through native flora, tidal lakes and rivers with the Koonyum mountain ranges as a backdrop.

This spectacular golf course captures the picturesque beauty of northern New South Wales. The 18-hole layout comprises six par-3s, six par-4s and six par-5s – with the same par never being played consecutively. This distribution adds to the unique nature of the course.

One of the standout features of the course is the large greens that are protected by extensive bunkering. With a combination of tifdwarf and tifeagle greens they are some of the purest and quickest putting surfaces you'll play on.

Playing Ocean Shores is easy. If you have a GA handicap, there are numerous competitions played throughout the week or if you're just looking for a social game take advantage of the walking unlimited play rate. For only $30 after 3pm you can play until dark.
