## RETURN TO GOLF TRAVEL ON THE MIGHTY MURRAY RIVER

IN May 2022, PGA golf professional Robert Stock is looking forward to seeing new and old friends on a golf and private touring adventure along the Murray River.

The Murray's stellar reputation for great golf is well-earned and the itinerary includes several "must-play" courses on every Australian golfer's bucket list ... including Royal Adelaide and Black Bull (Yarrowonga).

The tour organised by Travelrite International takes a band of lucky golfers from the great river's estuary in South Australia all the way to the Murray's heart in Victoria.

Along the way there'll be games of golf in South Australia at Victor Harbor overlooking The Great Southern Ocean and the world-renowned Royal Adelaide.

Leaving Adelaide, the group will travel north to Victoria for three nights' accommodation in Mildura. After playing two country gems at Mildura and Coomealla, the group will travel back in time visiting the pioneer settlement near Swan Hill before continuing to Echuca and a two-night stay on PS Emmylou.

Paddle-steamer Emmylou is the world's only wood-fired cruising paddle-steamer and the golfers and non-playing spouse will enjoy alfresco dining and plenty of space to relax and enjoy the mighty Murray.

For the next two days, golf will be in New South Wales on the Rich River courses (East and West) while non-golfers will enjoy their own personalised Murray River program.

After reluctantly saying goodbye to PS Emmylou, we continue upstream to Yarrowonga and our final stop on tour sleeping on the banks of Lake Mulwala.

The final two games are on two of Peter Thomson's finest designs on the Murray Course at Yarrowonga Mulwala Golf Resort and Black Bull which lies in part on the banks of the Lake.

The Mighty Murray River Golf Tour, hosted by Robert Stock, starts in Adelaide on April 30 with the last game of golf in Yarrowonga on May 11, 2022.

All travel, green fees and luxury accommodation are included, along with prizes for the friendly competitive games of golf. The tour size is strictly limited so please ring or email Travelrite International today to reserve your spot.

RRP: A\$5995.00 pp twin share.

## THE BENEFITS OF USING A GOLF TRAVEL AGENCY

AFTER a testing 18 months, and now that the country's lock down periods are coming to an end, golfers have been booking up domestic golf destinations in droves so much so that the first half of 2022 is already starting to be tricky to find availability.

Now is a great time to start planning ahead for your annual group trip so you don't miss out, and you will no doubt want protection during what are still uncertain times.

Booking your golf trip with The Golf Travel Agency gives you the assurance that if there are further disruptions to travel, your investment in your golf trip will be safe because they have long-standing relationships with hotels, golf courses and other relevant suppliers.

And another benefit of booking your golf trip with The Golf Travel Agency is that you just have one phone call to make if restrictions return. If you book it yourself, you will have to cancel all the separate components of your trip and try to negotiate credits where possible with no guarantees.

And on top of that, you are likely to get a better price through The Golf Travel Agency due to negotiated industry

rates and that means it won't cost you any more to have a golf travel specialist do all the work for you.

Through all the uncertainty, one thing is apparent – travel is definitely on the minds of golfers.

The Golf Travel Agency can assist in putting together the perfect golfing itinerary for you to experience Australia's finest courses.

As a full-service travel agency, we will do all the organising for you, leaving nothing for you to do but enjoy the trip.

## AUSTRALIA'S RICHEST AMATEUR PRIZE POOL UP FOR GRABS

THE Outback Queensland Masters is Australia's most remote golf series, spanning 2000 kilometres across Queensland's Outback.

It's Australia's richest amateur golfing event with amateur and first-time golfers getting to have a 'pro-type' experience competing for \$10,000 hole-in-one opportunities in the first five locations and culminating to the million-dollar hole-in-one challenge in Birdsville.

The Outback Queensland Masters (OQM) attracts first-time, social, and amateur golfers where they meet and play with locals and in the evenings dine under the stars of the Milky Way with live Australian music and entertainers.

During the 2021 event, amateur golfer from the ACT, David Pennell struck it rich with a \$10,000 hole-in-one on the remote sand greens of the Quilpie Golf Club.

Players are already planning for the 2022 tee-off, with the announcement of next year's locations being Roma, Tambo, Barcaldine, Winton, Mount Isa and the 2022 million-dollar hole-in-one in Birdsville on the edge of the Simpson Desert.

"The Outback Queensland Masters has been really good," said competitor and amateur golfer Robbe Fitz. "Golf and meals organised every weekend for six weeks and five days in between to wind your way to the next venue. I would highly recommend the tour."

Queensland and Northern Territory manager, Golf Australia Luke Bates said it was like a travelling golf club with "everyone creating memories together".

Presented by Golf Australia, Outback Queensland Masters is strategically partnered with Tourism and Events Queensland, with support from local government councils and local golf clubs.

The 2021 event sold-out ahead of the event, and with over 60 per cent of tickets already sold for the 2022, organisers

are encouraging visitors to plan ahead and book now for the 2022 event before it sells out.

The schedule is: Roma (June 18-19), Tambo (June 25-26), Barcaldine (July 2-3), Winton (July 9-10), Mount Isa (July 16-17) and Birdsville (July 22-24).

The Outback Player Pass for one location (including all meals and dinner under the stars) is just A\$300. The All-inclusive Player Pass including six locations and the million-dollar hole in one (including all meals and dinner under the stars) is \$1660.

Spectator passes, including meals and dinner under the stars, is also available from \$220.

## TRENDSETTER TRAVEL GOLF CRUISES

THE October announcement, that international travel will recommence as early as November 14 was welcome news for an Australia clearly willing to throw off the shackles and get back out into the world.

And to meet that demand, Trendsetter has been quick to line up a range of fabulous tours that allow its clients to indulge their passion for golfing and cruising.

However if you've never cruised before, or are a little unsure as to why you should consider a marriage of cruising and golf for your next holiday, take a moment to consider these facts:

- All crew and passengers are double vaccinated, at least 14 days prior to departure;
- Crews are tested regularly and are isolated immediately if there is any sign of illness;
- Security onboard ships is tight so that unvaccinated personnel are not able to board;
- Cruise ships have medical facilities for random or scheduled onboard testing;
- Cruise ships have a hospital for the management of any illnesses;
- All cruise lines have Healthy Sailing Protocols.

Trendsetter Travel Golf Cruise Tours operate on ships that feature mostly balcony suites thus ensuring excellent ventilation. Small ships, with less than 600 passengers and a high space to passenger ratio provide further comfort that your health security is assured.

Silversea is the perfect answer for Trendsetter Travel Golf Cruise Tours and the reason that cruise line has been selected to host six luxury golf cruise tours 2022 – 2024.

All bar one are on the most recently launched Silver Muse, Silver Moon, and soon-to-be launched Silver Dawn. Suites are a spacious 36M and the all-inclusive Silversea standard means almost everything is included in your cruise fare.

Trendsetter Travel offers two Silversea golf cruises in 2022. In January 2022, there's an all-Australian ports 15-night cruise from Melbourne to Sydney with 8 games of golf – see [www.trendsettertravel.com.au/GC38](http://www.trendsettertravel.com.au/GC38). Then August 22 to September 9, 2022, Trendsetter has a Baltic Sea/Norway golf tour on the new Silver Moon sailing Copenhagen to Southampton. Norway has 150 golf courses and is understandably proud of Viktor Hovland, one of the world's highest ranked golfers.

As an aside, Hovland's long standing caddie is Shay Knight, a member of The Australian Golf Club. Up to 11 games of golf, including the best available golf courses in Copenhagen, Stockholm, St Petersburg Tallinn, Helsinki and Norway, are on offer. You choose where you wish to play.
