Meadow Springs Golf & Country Club

MEADOW SPRINGS GOLF AND COUNTRY CLUB

Experiencing golf in the bush has never been so tranquil.

At Meadow Springs Golf and Country Club you don't simply just play golf, you play golf as nature intended.

The Meadow Springs golf course is a purist's dream created by the internationally renowned course designer Robert Trent Jones Jr.

Be enthralled at the way the course design incorporates the harsh yet majestic natural surrounds to create a course showcasing a combination of golfing values and visual characteristics.

Measuring 6189m from the blue tees and 4997m from the red tees, Meadow Springs Golf and Country Club's breathtaking course is in the coastal resort town of Mandurah, mere moments away from the ocean.

Peaceful and serene, surrounded by an explosion of colourful wildflowers, towering trees and abundant wildlife, this course is as spectacular as it is sublime.

Winding your way through emerald green fairways, where few holes run parallel, creates the illusion that you are the only one enjoying the great game of golf alongside the towering, 200-year-old Tuart trees that line the fairways, natural grasses that guide you through the pathways and groups of kangaroos that seem to be cheering you on.

Meadow Springs offers public access as well as a range of membership options, a day/night driving range, putting greens, Pro Shop, Café, Club House, the onsite tuition services of Golf Pro Mark Batten, as well as facilities to cater for corporate golf days of up to 144 players.

Developed in harmony with its natural surrounds, the clubhouse has a large function room with spectacular views of the golf course.

It's ideal for wedding receptions, conferences, meetings and social gatherings.

The private terrace is perfect for wedding ceremonies with its backdrop of waterfalls and flowing koi ponds set in stunning manicured gardens.

Food and beverage packages are tailored to suit every budget.

The friendly team at Meadow Springs offers the utmost in service and attention, so that your needs are taken care of promptly and courteously to ensure that, during your visit, you can simply relax and enjoy your game.

To play 18 holes of golf at Meadow Springs Golf and Country Club is an experience not to be missed.

Meadow Springs general manager Scott Proctor and his team look forward to welcoming you to their hidden gem of the south.

Bunbury Golf Club

BUNBURY GOLF CLUB

Drive the dual-lane Forrest Highway for 90 minutes from Perth and you'll be right at the Bunbury Golf Club and glad you made the trip!

The Course was established on the site in 1948 and the vision of the members over 70 years ago has resulted in an exceptional course with a challenging but forgiving layout. Strategically placed bunkers make you consider your shots carefully. Although the course is tight, but not too tight, there are areas in which you can play safe.

Standing on the 10th hole, a 124m downhill par-3 you get to take in the magnificent views of the Leschenault Estuary and Bunbury prior to teeing off. Avoiding the bunkers and determining the wind factor makes this feature hole a test of your golfing prowess.

The home of the premier golf event in the South West, the 54-hole Annual Nexus Risk Services South West Open is held each June long weekend. Many high-profile professionals have visited over the years, including Brett Rumford, Peter Lonard and Minjee Lee.

Minjee Lee was a two-time winner of the Bunbury Bowl – an annual two day event for women golfers – prior to turning pro.

The course is easy to walk though carts are available to hire. Green fee players are welcome and the Club offers a Monday special of just \$25.00 for 18 holes. Other days the cost is \$47.00. Visiting groups are offered special rates. The Golf shop also offers hire clubs plus a great range of apparel and golfing equipment. The Club

also offers an online booking system for visitors so you can plan your games ahead.

There is a 280m driving range, putting green and a chipping and bunker practice area all of which are open to the public seven days a week.

The Shani Waugh Golf School is located on site and provides coaching for all levels of golfers, including juniors. Shani Waugh was on the Women's PGA tour for over 10 years and started playing golf at Bunbury Golf Club.

The Clubhouse recently completed a refurbishment. Full bar, lounge and dining facilities for up to 128 people provides an excellent setting for a variety of functions. A number of weddings have been held at the Club and the background views are spectacular, especially at sunset.

The Club achieved a 5.4% increase in membership for its last financial year and attributes a lot of this growth to the magnificent condition of the course. The green keeping staff take enormous pride in their work and this is reflected in the presentation of the course.

A range of membership options are available to suit all golfers, including country memberships.

Do yourself a favour and book a round today!

Hartfield Golf Club

HARTFIELD GOLF CLUB

In 1966 the hills residents of Kalamunda decided the need to play golf on a little flat earth was much needed in the community.

In conjunction with the Shire of Kalamunda, a parcel of land was put aside, and the birth of Hartfield Golf Club was created. The name Hartfield reflected the desire of the day that the name should reflect the name given to the sporting precinct that was envisioned over 50 years ago, and now not only does Hartfield Park incorporate the golf club, but hockey, lawn bowls, Aussie rules, tennis, rugby union, rugby league, soccer, and a recreation centre.

In 2022, Hartfield Golf Club will celebrate 50

years at its current location and in that time golf has changed considerably. For those who can remember, 1971 saw Jack Nicklaus win the Australian Open.

Throughout this time the foundation of Hartfield has been its membership and like many others over this time the club has become more creative in this area to reflect the changes in society.

Ask yourself the following: Are you sick of playing on a course not maintained to a standard you expect? Are you sick of taking more than five hours to play a round? Are you sick of not being able to book a tee time? Do you want to play a challenging course with excellent practice facilities? Do you want

to be able to play competition and social golf? Do you want a friendly relaxed social environment to enjoy after your round?

If you answer yes to any of the above, and you live near Kalamunda then Hartfield Golf Club is the answer.

Membership covers the traditional 7, 6 or 5-day memberships but they also incorporate a Lifestyle membership which is open to people that may have not been able to become a member of a club or whose work commitments are such that they have unusual and constantly changing days off.

From as little as a \$100 per month, you could belong to one of the most progressive clubs in WA.

In 2022 there will be several milestones to celebrate their 50th year; why not be part of the celebrations and become a member of Hartfield. They offer excellent course and facilities after golf, for both men and women and you can enjoy the bush surroundings of their location overlooked by the falls of Lesmurdie and the hills above.

KALGOORLIE GOLF COURSE

When you book your golf trip to Perth, make sure you factor in Kalgoorlie Golf Course because the sublime Graham-Marsh-designed layout is one you'll definitely want to tick off your bucket list.

The first thing you notice about this layout of wild beauty is the magnificent colours – red, green and blue.

The red dirt butts up against the green manicured fairways with the blue sky as the backdrop.

Variety and fine conditioning define this work of art.

From the tee boxes, the course looks intimidating but it has numerous tee positions and is considerably more forgiving than many others you'll play in your travels.

From the tips, the course stretches to 6768m, but off the shorter public tees it's 835 metres shorter.

Club professional Paul Breuker said Kalgoorlie prided itself on its greens, which clock in at between 9 and 11 on the Stimpmeter.

"Graham Marsh has designed big, flowing greens which allow five or six pin positions."

Many greens are tiered with the par-5 18th a lengthy, three-tier rollercoaster.

An approach shot here could be anything from a wedge to a seven-iron depending on the pin position.

"If there's one shot you need around here' it's a good short game," Breuker said.

"A lot of greens are elevated so you are playing a lot of uphill chip shots, but that is becoming easier now due to the fairways maturing and the greens starting to soften after five years of maturity.

"It's a typical Marsh design in that if you hit the ball long the fairways narrow, but the average distance off the tee has generous landing areas," Breuker said.

Kalgoorlie Golf Course

The 202m par-3 8th from the tiger tees is challenging and a definite feature hole. From the members' tees it's 178m, the public tees 165m and the ladies tees 118m.

"When you stand on the tee it's a very elevated green with a drop off to the right side," Breuker explained. "It's long and visually pleasing."

Visitors are always welcome and can walk (\$68) or ride. Cart hire is \$42 for 18 holes.

The club's restaurant and bar is open for business from Wednesdays to Sundays.

"We recommend everyone should play this golf course," Breuker said.

Inside Golf did and thoroughly enjoyed the experience.
